PROTECT YOUR TRUCK

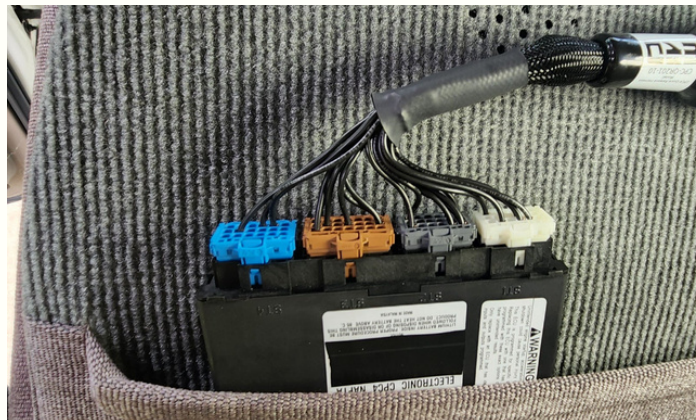

Quick Release Harness will protect your investment from CPC theft.

If you are pulling your CPC out every night, you are causing wear on your OEM harness. It is not made to be removed constantly. Upgrade to a quick-release harness that is designed for repeated connections. You can take it with you any time you leave your truck.

CALL NOW

Call now to schedule an appointment to have a quick release harness installed today!

CONTAINER CHASSIS REPAIR & MAINTENANCE

Crown Diesel offers commercial fleet maintenance and repair services, both minor and major repairs for trucks, trailers, containers, and chassis. We provide full-service maintenance and repair of chassis, containers, and trailers on-site or at our Houston shop. Keep your equipment ready to go for smooth shop-to-street hauling.

EMPLOYEE SPOTLIGHT

Meet Will

Will is an amazing diesel technician with a wealth of knowledge and experience in the field. He is highly skilled at diagnosing and repairing various diesel trucks. Will is known for his attention to detail and ability to solve complex problems creatively. He is always willing to go above and beyond to ensure that his customers are satisfied and that their vehicles run smoothly. Will is an asset to the Crown Diesel team and is highly respected by his colleagues and clients.
