## CONTAINER CHASSIS REPAIR & MAINTENANCE

Crown Diesel offers commercial fleet maintenance and repair services, both minor and major repairs for trucks, trailers, containers, and chassis. We provide full-service maintenance and repair of chassis, containers, and trailers on-site or at our Houston shop. Keep your equipment ready to go for smooth shop-to-street hauling.

*Crown's*

## HEALTHY LIVING TIPS for the Road Warrior

### EXERCISE

Walking. People tend to forget the importance of walking, but it is a very effective exercise for truck drivers. It can increase your cardiovascular health, relieve conditions such as hypertension or diabetes, and much more. And it's so undemanding that almost everyone can squeeze it into their daily schedule.

### Food

When meal prepping at home before heading out on the road, portion food into individual Tupperware containers. Simply pop the container into the microwave when you are ready to eat.

# Crown Diesel 24/7

We can safely reload your shifted goods to ensure safe hauling and not at risk of tipping over. We understand that your cargo's secure and timely delivery drives your business. Our team can work quickly at our Houston location, or we come to you to reduce your downtime and get you safely back on the road.
